Morris Township's Parks & Recreation Department is offering Sports for Squirts, a sports program designed to introduce 3 – 5 year olds to a variety of age-appropriate sports in a safe and structured environment. The class will encourage learning and skill development and is designed to capture each child's imagination. The program is held on Tuesdays starting on September 19th through October 31st from 4:30 PM to 5:30PM at the Ginty Field Complex. The class size is limited to 10 and the fee for this program is \$125 per child.

Fall Children Tennis Lessons

The Morris Township Parks and Recreation Department, in cooperation with the US Sports Institute's First Play program, will offer a varied schedule of professionally-led youth tennis lessons for the fall of 2017. Lessons follow a developmental curriculum and guidelines from the U.S. Tennis Association including their highly appraised Quick Start Tennis format. This is a great new way to introduce children to the game. 10 and under age players will use lower compression balls designed to bounce lower and

move slower, encouraging the optimal swing mechanics and greater hitting success. Our program will teach children fundamentals of tennis while making the class educational and fun.

Tennis classes will meet for eight sessions on Wednesdays, or seven sessions on Saturdays as follows:
