## WHAT IS NIXLE?

Nixle is a Community Information Service dedicated to helping you stay connected to the information that matters most to you. You can now be connected to the Morris Township Police Dept, Fire Dept, and Office of Emergency Management. Information is immediately available by text message, email, and/or over the web!

## WHAT MESSAGES WOULD I RECEIVE THROUGH NIXLE?

Only authenticated agencies like the Morris Township PD, FD, and OEM can securely publish information. There are four types of messages: Alerts (many would refer to this an emergency alerts), Advisories (less urgent need-to-know information), Traffic (local traffic information), and Community (day-to-day neighborhood to community-level information)

## HOW DO I REGISTER FOR NIXLE?

Anyone can view information by going to [www.nixle.com](http://www.nixle.com) without registering. However, to customize the information and the locations you receive it from, in addition to receiving information by text message and/or email you must create an account. Once registered you can personalize your locations and your preferences, making the service fit your needs
