ADDRESS: _____

BLOCK: _____ LOT: _____

I, _____
(Name of Owner or Authorized Agent)

certify to the Morris Township Health Department that all abandoned septic tanks, seepage pits, and cesspools on the above property have had their content removed and properly disposed of. These abandoned components have been filled with suitable fill material, (i.e. bankrun, sand or gravel), as required by Ordinance 114 of the Code of the Township of Morris.

These tanks, pits, or cesspools were abandoned and filled on _____.

Briefly describe:

- 1) Why individual subsurface sewage disposal components were abandoned?

- 2) What was used as backfill?

- 3) Please provide name, address and phone number of contractor:

- 4) Draw a sketch showing where abandoned structures are located on the property (use back of sheet).

I make this certification on this _____ day of _____, 20_____.
