

Engineering with LEGO Summer Camps at the Township of Morris Rec.

Kids are already naturally gifted creators. Then they get added inspiration from our specially trained instructors. They dive into our massive collections of LEGO®. And while they build elaborate objects, structures and vehicles, they explore fundamental principles of engineering and physics. They also learn to collaborate and create without fear of mistakes. The experience is joyful, the impact long lasting.

Jul. 22nd - Jul. 26th, 2019

STEM Challenge + Minecraft w/LEGO® Materials: FULL DAY

(ages 5-12) • 9:00am - 4:00pm

Price: \$285.00/ Per Student for the Full Day camp week

Gear up for a full-day LEGO® camp packed with hands-on and minds-on STEM fun! In this challenge based program, build projects inspired by cool machines close to home, such as Gear Cars, Gondolas, Merry-Go-Rounds, and Scissor Lifts. Then build Motorized Minecarts, Ghosts, and Creepers from the Minecraft universe! Engineer and Craft innovative solutions in this new full-day themed engineering camp for LEGO® fanatics!

Location: Municipal Building, 50 Woodland Ave, Morristown, NJ 07960

Snack/Lunch: There will be a set break for snack/lunch for kids to enjoy what they brought from home.
