RESOLUTION NO. 194-19

RESOLUTION URGING THE STATE OF NEW JERSEY TO BAN RETAIL ESTABLISHMENTS FROM PROVIDING SINGLE-USE PLASTIC BAGS

WHEREAS, on average, one person uses 500 single-use plastic bags per year, 4 billion single-use plastic bags are used annually in New Jersey, and 102 billion are used nationwide; and

WHEREAS, it is beyond dispute that the use of single-use, plastic carryout bags has a severe and negative environmental impact on the local and global environment as a result of the greenhouse gas emissions emitted to produce such bags, the land-based and ocean-based pollution created, the hazards posed to wildlife, the hazards posed to sources of water for humans, and the negative impact on the ecosystem and food chain as a whole; and

WHEREAS, 5% or fewer single-use plastic carryout bags are actually recycled; and

WHEREAS, taxpayers in all New Jersey municipalities, including the Township of Morris, currently bear the costs associated with the negative effects of single-use plastic carryout bags on the solid waste stream, drainage, litter, and the negative consequences of the foregoing environmental impacts; and

WHEREAS, taxpayers in all New Jersey municipalities, including the Township of Morris, currently bear the costs associated with improper placement of plastic bags in recycling containers resulting in increased costs for contaminated recycling; and

WHEREAS, scores of municipal governments across New Jersey are enacting their own ordinances to address consumer reliance on single use plastic bags; and

WHEREAS, these municipal actions have created a patchwork of regulations across the state which has made it difficult and confusing for consumers to shop and businesses to operate in multiple municipalities; and

WHEREAS, the Township Committee of the Township of Morris urges the State of New Jersey to ban retail establishments from providing single-use plastic bags to customers to carry away merchandise or goods by creating uniform standards to ensure consistency and clarity for businesses, municipalities, and residents throughout the state.

NOW, THEREFORE, BE IT RESOLVED that the Township Committee of the Township of Morris does hereby urge the enactment of state legislation to create a law across all municipalities that bans single use plastic bags, with certain uniform exemptions, thereby encouraging consumers to utilize reusable bags.

BE IT FURTHER RESOLVED that the Morris Township Clerk shall forward a copy of this resolution to the Governor Phil Murphy of the State of New Jersey, Lt. Governor Sheila Y. Oliver, Senate President Steven Sweeney, Assembly Speaker Craig J. Coughlin, District 25 State Senator Anthony Bucco Jr., District 25 State Assembly Representative Michael Patrick Carroll, and District 25 State Assembly Representative-elect Brian Bergen.

I, Cathleen Amelio, Township Clerk of the Township of Morris, Morris County, New Jersey, do hereby certify that the foregoing is a true copy of a resolution adopted by the Governing Body at a duly authorized meeting held on November 13, 2019.
