

THE MORRIS TOWNSHIP POLICE DEPARTMENT

is proud to announce that applications are now being accepted for the:

2022 Citizen Police Academy

***** Starting September 12th, 2022 *****

Have you ever been interested in learning more about how a police department operates and responds to incidents within your community? The Morris Township Police Department will be holding a 10-week Citizen Police Academy which will be held at our police headquarters. The academy will be on Monday nights from 6:00 PM to 9:00 PM starting September 12th, 2022 and ending on November, 14th, 2022. The Citizen Police Academy is **FREE** and is on a first come first serve basis with a maximum enrollment of 20 people.

Applicants MUST:

- Be at least 21 years of age
- Residents of Morris Township / Morristown or an approved intern for college credits
- Submit a completed application
- Must pass a background process

The purpose of the Citizen Police Academy is to give the public a working knowledge and understanding of the operations of our police department and of law enforcement in general. Some topics of instruction will include organizational structure, use of force, drug trends and police response, arrest, search and seizure, motor vehicle stops and officer safety. A ride-along program will be implemented to allow each participant to observe patrol functions first-hand. It is our intention that the graduates of the Morris Township Citizen Police Academy will gain an awareness and appreciation of the services we provide. We also hope to collectively create an even stronger partnership between our police department and the community we serve which in turn will allow our graduates to become advocates for the law enforcement community as a whole.

Applications can be obtained by visiting morristwp.com and searching for CPA 2022, emailing Lt. Heather Glogolich at hglogolich@mtpd1422.com, or stopping by police headquarters. Once applications have been received and background investigations have been completed, approved applicants will be provided with the academy agenda.
